

Moreton Maritime Alliance

“creating a world leading maritime
precinct in Moreton Bay”

The background of the slide features a scenic harbor at sunset. Several boats, including sailboats and a larger motor vessel, are docked at a pier. The water reflects the warm orange and yellow light of the setting sun. In the distance, a map of Australia is overlaid in a dark blue color, with several yellow dots indicating specific locations. The overall composition is divided into circular and organic shapes, creating a modern and professional look.

Marine industries employ almost 400,000 people in Australia

Marine Industries contribute approximately \$74B to the Australian Economy

The Maritime Industry generates significant economic benefits and represents a huge opportunity for further regional growth.

Moreton
Maritime Alliance

The Moreton Maritime Alliance aims to:

- Drive sustainable growth in the Moreton Bay Maritime industry;
- Engage more people with the ocean;
- Ensure a positive and healthy future for the bay and it's communities.

● Moreton Bay

"With a stunning wide expanse of sheltered blue waters, Moreton Bay is South East Queensland's aquatic playground and a significant marine sanctuary."

Moreton Bay Region is one of the fastest growing areas in the country, with amazing lifestyle opportunities afforded by bayside living, proximity to major national and international air and sea ports, and ready access to major highway infrastructure.

Moreton
Maritime Alliance

The Alliance is committed to eight important objectives that are designed to positively impact Moreton Bay:

1. Promote sustainable maritime industry growth and employment
2. Facilitate well considered and positive maritime & related infrastructure investment
3. Promote the region and the industry locally and internationally
4. Connect entrepreneurs, businesses, investors, researchers, educators, innovators, government agencies and other key players in the maritime industry
5. Engage the local community with maritime activities in Moreton Bay
6. Disseminate new knowledge of the Moreton Bay ecosystems and the maritime industries it supports
7. Advocate for and collaborate on policy change on behalf of alliance members.
8. Attract local and international visitors to the region

Moreton Bay is one of the largest protected waterways in the world and is recognised as a globally significant and unique aquatic environment that supports a rich variety of aquatic habitats and species, from seagrass meadows, coral beds, fish and crustaceans, to turtles and dugongs.

Key Projects Moreton Maritime Alliance

1. Publish an 'Investment Prospectus'
2. Establish maritime education programs in the region
3. Deliver an 'Industry Ecosystem and Economic Impact' study
4. Commission a 'Maritime Master Plan' for the region
5. Host networking, information, community and sporting events
6. Implement a digital networking platform for members
7. Survey members on key policy issues and red-tape areas
8. Establish a Bluetech startup ecosystem

The Maritime Master Plan

The proposed Maritime Master Plan for Moreton Bay will provide a framework for planning and decision making well into the future, and is intended to act as a strategic guide for the Queensland State Government, local government, businesses, investors, and the community.

The Master Plan will incorporate research, feedback and information from all relevant stakeholders in the region, and will propose a coordinated suite of maritime projects that could be implemented in the short, medium or long term by both public and private proponents. Potential projects include:

- New and expanded marinas
- Integrated developments
- Maritime Educational Facilities
- Boat ramp, launching and mooring facilities
- Industrial Marinas
- Startup hubs
- Artificial Islands
- Customs Clearance points
- Ferry and Barge Terminals
- Artificial Dive sites
- Seafood markets

Moreton Maritime Alliance

Membership

Membership will be open soon to businesses and industry associations. Benefits will include access to a wide range of industry and community events; up-to-date research and knowledge; digital networking tools to build contacts and encourage business growth; input into the direction of key projects; and the opportunity to influence government policy decisions.

Delivery Partners

The Moreton Maritime Alliance is establishing important relationships and agreements with delivery partners at all levels of government and industry. These include Regional Development Australia Moreton Bay, Moreton Bay Regional Industry and Tourism, the Moreton Bay Regional Council, The Redcliffe Peninsula Chamber of Commerce, Queensland Department of State Development, Queensland Transport and Main Roads, and the University of the Sunshine Coast.

Sponsors

The Alliance welcomes any form of sponsorship, and would like to thank RDA Moreton Bay and the Redcliffe Chamber of Commerce for their continued support.
